Union Ministry of Health and Family Welfare has played an important role in sending humanitarian medical assistance to quake-hit Syria and Turkey. Union Minister for Health and Family Welfare, Dr Mansukh Mandaviya highlighted the efforts of the Union Health Ministry to provide emergency relief materials to Turkey and Syria in a tweet. He stated that “India is providing assistance to the two countries in the spirit of its age-old tradition of ‘Vasudhaiva Kutumbakam’.

Union Ministry of Health and Family Welfare organized a Cyclathon with the theme, 'Cycle for Health' at Lady Hardinge Medical College (LHMC). Faculty, staff and students participated with great fervor and in huge numbers. Such rallies are being organized to promote physical and mental well-being and inform our citizens about environment friendly conveyance.

A news report in The Morning Standard regarding an ‘insensitive remark’ by head of Directorate General of Health Services (DGHS), Ministry of Health and Family Welfare against nurses is misleading. The report indicating that a controversial remark was made few days ago on the representation of demands by the nurses group, thus showcasing lack of empathy towards nursing profession, is apparently being blown out of proportion.

Dr. Bharati Pravin Pawar, Minister of State inaugurates the National Workshop on Accelerating Patient Safety in India

“India has always recognized the importance of patient safety and prioritized it as a public health issue.” This was stated by Minister of State for Health and Family Welfare, Dr. Bharati Pravin Pawar as she addressed the inaugural session for national workshop on accelerating patient safety in India in collaboration with World Health Organization. The workshop strived to sensitize states and various stakeholder departments regarding their role in the implementation of National Patient Safety Implementation Framework, as well as augment capacity building of health care professionals for patient safety, and set forth frameworks for developing Quarterly State Action plan on patient safety.
